To Whom It May Concern,

On behalf of the Texas Lutheran Athletics Department and the Texas Lutheran University Men's and Women's Golf Program, I want to express our support for the upcoming Starcke Park Golf Course renovation. The course renovation will be highly beneficial to the future of junior golf, TLU golf, and for all golfers in our Seguin and surrounding communities.

Starcke Park has had a long-time partnership with the TLU Golf Program. Using Starcke Park as our preferred destination for practice has allowed us greater convenience and the opportunity to use very good facilities. However, course upgrades are long overdue. This will allow the course to become an even greater resource for golfers for generations to come.

As TLU players compete on more difficult courses and compete against players that are the "best of the best," it is important that practice facilities are also the "best of the best." With the planned renovations, this will be achieved.

Our full support is given to this project. We appreciate the Seguin community taking pride in the course and helping to ensure it is the best it can be. Thank you for your strong consideration of this important project.

Respectfully,

A handwritten signature in black ink that reads "Bill Miller". The signature is fluid and cursive, with the first name "Bill" and last name "Miller" clearly distinguishable.

*Bill Miller*
