Re: Convention and Visitors Bureau

Date: February 12, 2016

Michael Sharp has resigned from the Zoning Board of Adjustments and there is an alternate position open. I would like to recommend Ramiro Hernandez Jr. as a Regular Member and Jim Johnson as an Alternate Member. Both gentlemen have previously served on the Building and Standards Commission and want to continue to volunteer to serve on a city board. Mr. Hernandez and Mr. Johnson will be a great asset to the board.

The item will be placed on the February 16, 2016 agenda for your consideration and approval.
