The bids for the project ranged from \$1,281,389.75 from M&C Fonseca Construction of Granite Shoals, Texas, to \$2,171,646.08 from E-Z Bel Construction of San Antonio, Texas. Of the fifteen (15) sealed bids, one (1) bidder was found to have not submitted an acceptable proposal. A detailed bid tabulation is attached for your reference.

It is recommended that M&C Fonseca Construction be awarded the construction project in the amount of \$1,281,389.75. TRC conducted reference checks of the recommended Contractor. The Contractor has a bid bond and will be required to furnish a Standard Form of Agreement, Performance Bond and Payment Bond to the City. The construction completion period is 150 days.
