

**MEMORANDUM**

TO: Mayor and City Councilmembers
Steve Parker, City Manager

FROM: Clarence Smith, Director of Electric Utilities

DATE: January 9, 2019

RE: Purchase of Primary Cable

Bids were solicited for the purchase of 10,800 feet of 1000 mcm EPR URD Primary cable necessary to install 4 new Circuits from the new 123 Bypass Substation to feed everything on the North side of 1-10. These new circuits will replace the existing circuits currently providing power from the Seguin East Substation. The creation of the new circuits will also provide redundancy for this area. Two (2) bids were received for \$7.23 and \$7.46 per foot. Anixter, Inc. of San Antonio presented the lowest qualified price with a total bid price of \$78,084.

Staff recommends approval.
