

CITY OF SEGUIN

To: City of Seguin Mayor and City Council
From: Jack Jones, Director of Parks and Recreation
Through: Steve Parker, City Manager
Rick Cortes, Deputy City Manager
Date: August 5, 2025
Subject: Proposed street closure request from the Seguin Matador Band Boosters to close a portion of East Cedar Street between Lamar Street and the easternmost driveway entrance of Faith Lutheran Church on Saturday, September 20, 2025, from 6 a.m. to 11 p.m. for their annual Seguin Marching Festival at Matador Stadium.

Historical Background

For the past several years, the Seguin Matador Band Boosters have been approved by the City Council for street closures regarding their annual Seguin Marching Festival. The festival is a high school marching band competition whereby bands from various high schools from around the south/central Texas area compete all day at Matador Stadium.

Action Requested

The Boosters are requesting the closure of the street based upon potential heavy pedestrian traffic at the high school campus. This is due to various high school bands performing throughout the day, parking in locations north of the high school, and walking across East Cedar Street. The street closure would start at 6 a.m. and the road will be reopened to the public by 11 p.m. when the Marching Festival ends.

The proposed road closure could impact access to the First Baptist Church and Faith Lutheran Church. City staff has received confirmation from the festival organizer that the proposed road closures do not affect planned activities at the two churches that day. If needed, access to both church properties can be met through the use of the shared alleyways on their properties and a portion of Cardinal Lane.
