

MEMORANDUM

To: City of Seguin Mayor and Council Members
Steve Parker, City Manager

From: Pamela Centeno, Director of Planning & Codes

Through: Rick Cortes, Assistant City Manager

Subject: **Amendments to the Junked Vehicle Ordinance**

Date: December 30, 2019

City staff is proposing amendments to Section 46, Article VII of the Code of Ordinances which regulates junked, wrecked, or dismantled vehicles. The proposed amendments will strengthen the City's ability to abate junked vehicles that present an obvious appearance of not being functional as a means of transportation regardless of whether the vehicle has an unexpired license plate or a valid inspection certificate. The amendments will also strengthen the ability of City staff to abate junked vehicles located with a FEMA floodway.

Attached please find a copy of the Ordinance amendments being proposed. Staff recommends approval of these amendments.
