Re: Appointment of Presiding Municipal Court Judge and Associate Judge

Before Council are a pair of resolutions to reappoint Judge Kolb as Presiding Judge of the Seguin Municipal Court of Record and appointing Darrell Hunter as an Associate Judge. In September 2012, the two Judges were appointed to a two year term. Their terms expire at the end of September.

As further backup and information, attached is a memorandum from Landra Solansky, the Court Administrator, that sets out what the Municipal Court has done this year.

The resolution reappointing Kevin Kolb as the presiding judge also approves a contract between the Judge and the City. This contract contains the same terms and conditions as the previous contract.

The resolution reappointing Darrell Hunter as associate Judge simply appoints him to the same position, at the same pay, as he had previously. Judge Hunter assists with magistrature duties at the County Jail. His assistance is greatly appreciated and staff recommends that he be appointed to serve in that capacity for the next two years. Judge Hunter has agreed to serve under these same terms and conditions.
