Re: River Oak Drive – Reduction in Speed Limit

At the request of the citizens at a neighborhood meeting, staff performed a speed study on River Oak Drive. As a result of the data gathered, the 85th percentile speed supports a reduction of the posted speed limit from 35 mph to 30 mph.

Therefore, staff requests approval of the attached Ordinance for the Reduction in Speed Limit from 35 mph to 30 mph on River Oak Drive from FM 725 to the north end of River Oak Drive.
