**Date:** May 14, 2024

**To:** Seguin City Council  
Steve Parker, City Manager

**From:** Kathy I. Wood, Grants Administrator

**Subject:** City Council Ratification of a Grant Submission

---

The City has applied to the Texas Water Development Board's (TWDB) Flood Infrastructure Fund (FIF) in response to a recent request for phase I abridged applications. The application is for a Seguin Regional Drainage Masterplan to include Youngs Creek, Cottonwood Creek-Guadalupe River, Geronimo Creek, and Long Branch-Mill Creek watersheds to reduce or eliminate existing flooding risks.

If selected, the City will be asked to submit a complete application to TWDB. The phase I abridged application requested \$1,100,000 for the Seguin Regional Drainage Masterplan. If awarded, after submission of a complete application, the City would receive the funding as a 0% loan or a grant with no matching funds required.

Staff requests approval of the resolution to submit with the grant application.
