Re: New Regional Water Supply Contract between Schertz/Seguin Local Government Corporation (SSLGC) and the City of Selma

The SSLGC Board and the City Council of Selma approved a Regional Water Supply Contract between SSLGC and the City of Selma. The contract also requires approval by the City of Schertz and the City of Seguin Councils. The City of Schertz has it on their agenda for consideration Tuesday, February 2, 2016.

The new contract will be for 250 ac-ft of water per year. The City of Selma will pay the same O & M Rate and Water Lease Rate as the Cities of Schertz and Seguin under this contract, as well as, a pro-rated debt service which will be based on the contract amount of the 250 ac-ft/year.

SSLGC Staff requests approval.
