SSLGC General Manager

Re: Management Services Agreement

On July 16, 2015 the Schertz/Seguin Local Government Board of Directors approved the Management Services Agreement between the SSLGC and the City of Seguin. There were only minor changes in the MSA.

The agreement will be effective October 1, 2015 through September 30, 2016

The SSLGC seeks to continue the agreement with the City of Seguin and recommends approval.
