From: Andy Quittner, City Attorney *AQ*

Re: **November 4, 2014 Election Contract**

---

The Resolution for consideration is to approve a contract with Guadalupe County for election services needed to conduct the November 4, 2014, General Election, including early voting. As has been the case in the past, this Contract anticipates that other entities will share in the election (and its related expenses).

At the next Council meeting it is anticipated that the Notice and Order will be ready for adoption. The first day to file for a place on the ballot is July 19, 2014. The filing deadline is August 18, 2014.
