

ENGINEERS WEEK 2024

WHEREAS, engineers use their scientific and technical knowledge and skills in creative and innovative ways to fulfill society's needs; and

WHEREAS, engineers face the major technological challenges of our time – from rebuilding cities devastated by natural disaster, cleaning up the environment, and assuring safe, sustainable, and cost-effective infrastructure is designed and constructed to meet the needs of society; and

WHEREAS, engineers are encouraging our young math and science students to realize the practical power of their knowledge; and

WHEREAS, we will look more than ever to engineers and their knowledge and skills to meet the challenges of the 21st century;

Now, therefore, I, Donna Dodgen, Mayor of Seguin, Texas, do hereby designate February 18-24, 2024 as **Engineers Week** in the City of Seguin in recognition of the important past work and future contributions provided by the engineers within our community, and their vital role in creating safe, reliable infrastructure for the City of Seguin and its residents.

Presented this 20th day of February 2024

It's real.
