Historical Background

The City of Seguin was recently awarded the Safe Streets and Roads For All (SS4A) Grant through the US Department of Transportation. The SS4A Comprehensive Safety Action Plan was developed to provide a framework of innovative strategies and implementation actions intended to reduce transportation-related fatalities and serious injuries while supporting federal safety initiatives. On September 3, 2024, City Council adopted the Safe Streets and Roads For All Comprehensive Safety Action Plan vision statement and target for achieving zero traffic fatalities.

“Striving for a safer community, Seguin is dedicated to developing an equitable transportation network that prioritizes safety, preserves all lives, and maintains the existing community character. As regional leaders, our mission is to identify and mitigate vulnerabilities to establish the standard for regional safety and inclusive transportation for all users.”
