Re: Interlocal Agreement with the City of New Berlin

Staff is recommending the renewal of the interlocal agreement with the City of New Berlin to provide emergency medical services service to the City of New Berlin. Staff is recommending that the fee remain at \$400.00 per month for services rendered as there has not been a significant change in response to this area. The term of this agreement shall end on September 30, 2019 and automatically renew for one additional year.

We are available should you have any questions regarding this matter. Attached is the resolution and agreement for your consideration.
