Subject: Equipment Purchase – 2022 Tymco Street Sweeper

Date: November 7, 2022

The recent adoption of the FY23 General Fund Budget by City Council, allocated funds for the purchase of a new street sweeper to replace a 2014 Schwarz A7 Tornado street sweeper currently experiencing recurring repairs.

Staff has received a proposal from HGAC BuyBoard, which has been reviewed with management, and found the new proposed street sweeper includes the necessary functions to operate in a safe and effective manner on city streets. The proposal also includes a trade-in option of the 2014 Schwarz A7 Tornado street sweeper in the amount of \$30,000.

Therefore, staff recommends approving the purchase of the 2022 Tymco Street Sweeper from HGAC BuyBoard, in the amount of \$288,700.

Funding will come from the approved FY2023 General Fund Capital Equipment budget.

Staff will be available to answer any questions.
