RE: Abundant Life Pentecostal Church Festival

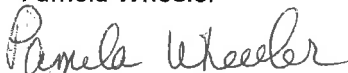

Dear Mr. Faseler,

As Event Coordinator of the ALPC Christian Festival for 2014 and on behalf of the Abundant Life Pentecostal Church, I am requesting a street closure request on the City Council agenda.

The ALPC Christian Festival is June 7th, 2014 at Central Park in Downtown Seguin. I will request fee approval for the Committee for my organization and other participating local non-profit organizations to sale food, including BBQ brisket, chicken, and sausage as well as, possibly, cotton candy, snow cones and baked goods. We are also going to be looking at having a car show, some game booths, some Christian music, and speakers as well from our organization and others from local non-profit organizations. We will observe all safe food handling procedures as well as ensure the park is clean following the event.

We will be set up for the event on June 7th, 2014 by 8am, with ending at 6pm and cleaning to follow, as would any vendors. We are requesting the closure of River, Nolte, and Donegan streets.

Respectfully,
Pamela Wheeler
