

STATE OF TEXAS

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SEGUIN, TEXAS AUTHORIZING THE CITY MANAGER TO EXECUTE A PROFESSIONAL SERVICES AGREEMENT WITH TRC ENGINEERING FOR THE DESIGN ENGINEERING AND CONSTRUCTION MANAGENT FOR A NEW 24-INCH WATER MAIN TO BE CONSTRUCTED FROM THE VETTER BOOSTER STATION TO THE HIGHWAY 123 WATER TOWER; AND DECLARING AN EFFECTIVE DATE.

WHEREAS, in order to manage the growth of the City's potable water system, particularly with growth occurring north of IH-10, TRC Engineering undertook the preliminary design of a new watermain that would be needed to handle the increased demand for capacity; and

WHEREAS, the improvement to the City's water system that is included in this Professional Services Agreement is the final design, preparation of bidding documents and construction management for a new 24-inch water main that will connect the Vetter Booster Station with the elevated water tank located along Highway 123; and

WHEREAS, city staff recommends entering into a Professional Services Agreement for \$1,120,962.00 with TRC to perform the above referenced services.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Seguin, Texas:

SECTION 1. The City Council of Seguin, Texas hereby approves professional services agreement with TRC Engineering in the amount of \$1,120,962.00 to perform final engineering and construction management for the installation of a new 24-inch watermain from the Vetter Booster Station to the Highway 123 elevated water storage tank.

SECTION 2. The City Manager is authorized a Professional Services Agreement in an amount not to exceed 1,120,962.00 with TRC Solutions for the Project.

SECTION 3. This resolution is effective on the date of its passing.

PASSED AND APPROVED THIS 7th DAY OF JUNE 2022.

DONNNA DODGEN, MAYOR

ATTEST:

Naomi Manski, City Secretary
