Please give a brief resume, including education, past employment, any special background or qualifications you have for serving on this board/ commission. Use attachments, if necessary.

I moved to Texas 15 years ago from the bay area in California, I have been a professional body piercer and barista since I was 18, I have also worked for other large corporations. 10 years ago I opened Chupacabra java here in Seguin, for three years the coffee shop was not only home for me but so many of my customers. That's when I had my first experience with the city and truly started seeing how wonderful our little town really is. after 3 years I closed its doors and found that tattooing was my passion and recently I recently opened up my own private studio in the historical Aumont building. I am also currently going back to school for motorcycle mechanics after my husband helped me with my first build. I also rejoined the Seguin art league this year after taking a few years off, during my time with the coffee shop I was grateful enough to be on the board during the time the building was originally purchased.

Please state why you wish to serve the City of Seguin as a member of a board, commission, or committee. Use attachments, if necessary.

I have always felt a deep connection to this community and would love to inspire more people to become involved in keeping its small-town charm for the other generations to come.
