Let There Be No Doubt: We Offer the Widest Selection of C7 / C9 Bulk Spools!

Does your project call for a special socket spacing or a darker or lighter color of socket and wire? We've added dozens of new items this year...including black and brown! From tight 4" all the way up to 24" for C7 and 36" for C9. Wider spacings are ideal for ground stakes, luminarias and custom décor.

These bulk spools feature durable, nylon sockets spaced evenly on heavy-duty wire. Each spool is outdoor-rated with threaded sockets and designed for longer term use...rather than only seasonal use. Nylon spools are available in your choice of black or white...and the heavy-gauge wire allows a **maximum recommended run of 250 feet**. C7 spools feature 16-gauge wire; C9 spools feature heavier 14-gauge; medium base spools feature 12-gauge. For use with all types of C7, C9 and/or medium base incandescent or LED replacement bulbs.

PIN SOCKET SPOOLS AND DO-IT-YOURSELF COMPONENTS FOR CUSTOM SPACINGS

Buy pre-assembled C7 spools or create your own custom spacings utilizing these bulk components. Note that we have phased out the pre-assembled C9 pin socket spools but you can create your own using bulk wire (Item# WIRE-14-MTW) and bulk C9 sockets (Item# PIN-C9-SOCKETS).

NOTE: Do not exceed 250 socket run for C7 or C9; the maximum run for Medium base is 100 sockets.

Pre-assembled C7 spools are available with either 12" or 15" socket spacings.

C7 Socket Use 16 MTW

C9 Socket Use 14 MTW

Medium Base Use 12 MTW

Virtually identical to the standard patio/landscape cords featured above... but with the addition of individualized, "eyelet suspenders" that allow the sockets to hang down below the main line while providing a means for the cord to be attached to a hook for hanging installations, typically on patios, tree lots or at festivals.

Medium base cord holds T50/S14 LED bulbs.

"Suspender"

Rubberized sockets help keep moisture out.

Clips and Attachment Solutions

ORIGINAL SHINGLE TAB

- Mounts C7 or C9 lights along all types of shingle roofs.
- Dual-legs for secure mount; patented flip-tab for firmer grip.
- Use with Parapet Clip (#39007) on flat surfaces.

Allows perfect ALIGNMENT under all types of shingles.

The ORIGINAL is STILL the best...

BULK ONLY
