

MEMORANDUM

To: Mayor and City Councilmembers
Steve Parker, City Manager

From: Susan Caddell, Director of Finance

Subject: SEDC Investment Policy Modifications

Date: January 13, 2020

The Seguin Economic Development Corporation's Investment Policy requires that both SEDC Board of Directors and the Seguin City Council review the investment policy annually and approve any changes to their investment policy. On January 6, 2020 the SEDC Board of Directors reviewed their investment policy and no changes were recommended.

I am recommending the City Council approve the SEDC Investment Policy as required by their investment policy.

Please let me know if there are any questions or concerns.
