Re: Moving the first City Council Meeting in October 2021

The Seguin Police Department will hold National Night Out on Tuesday, October 5, 2021 and to allow City Council Members to attend the neighborhood gatherings it is recommended that the City Council meeting be scheduled on Monday, October 4, 2021 at regular time.

Also, the Texas Municipal League Annual Conference is being held October 6 – 8, 2021 and this will allow Council Members and staff who are attending to travel to Houston on Tuesday, October 5th.

This item will be submitted to City Council for consideration and approval at the July 20, 2021 meeting. Should you have any questions please give me a call.
