**Subject:** Submittal of FY2020 Fire, Ambulance, Service Truck (FAST) Fund

---

The Texas Department of Agriculture, Community Development Block Grant Program is accepting applications for the 2020 Fire, Ambulance, Service Truck (FAST) Fund grant program.

This grant requires the usage of specific language in the Resolution to the City Council regarding economic development because we are using Community Development Block Grant funds for this program. This is why some of the language may appear to have nothing to do with submitting an application for fire equipment.

The Fire Department is asking for a Rescue Truck and a Pumper Truck. The funding requested is \$500,000. The City is required to supply \$5,000 from General Funds to "match" this funding.

Staff requests approval of the resolution to submit with the grant application.
