Re: Interlocal Agreement with the City of New Berlin

Staff is recommending the renewal of the interlocal agreement with the City of New Berlin to provide emergency medical services service to the City of New Berlin. This contract has remained at the current rate of \$275.00/month since its inception. Due to the rising cost of supplies and equipment, staff is recommending that the fee be increased to \$325.00 per month for services rendered. The term of this agreement shall end on September 30, 2016 and automatically renew for one additional year.

We are available should you have any questions regarding this matter. Attached is the resolution and agreement for your consideration.
