Re: Presentation of the FY2019 Budget

Tuesday night Susan Caddell, Director of Finance, and I will be presenting the proposed budget for next year. We will be going over the major budget sections on the overhead monitor and also provide informational slides to assist you in your consideration of the budget. Please bring your hardcopy of the proposed budget, or you can access it on your ipad. Our presentation should address many of your questions, but please feel free to contact, Susan, Rick, or myself if we can assist you in your review.
