Re: Guadalupe County 100 Club Grant Application

The Guadalupe County 100 Club has grant opportunities available for public safety organizations operating in and for Guadalupe County. The non-profit organization is making available \$2,500.00 for equipment, training and safety for responders. The Fire Department is in need of ballistic vests for its arson investigators which these funds would be used for. There is no required City match.

Staff would like to submit a resolution ratifying the submission of an application for this grant opportunity. Attached is the resolution for your consideration.
