Dear Foundation Board Members,  
It is with some regret and also with some excitement that I wish to terminate my Seguin Library Foundation Board member association.  
It has been an honor to serve with so many wonderful people that value the importance of a public library. My intention is to move to the Hudson Valley in New York as summer approaches. My daughter and her family have moved there recently and I am missing my grand twins a lot.  
My farewell request is that you always fight the unexpected source of banning books in our community. Thank you again for the opportunity to work with all of you and to serve my community in this way. I wish only the very best for our wonderful library!

Jeff Koehler
