

CITY OF SEGUIN

It's real.

To: City Council
From: Melissa Reynolds, Director of Engineering & Capital Projects
Date: January 7, 2025
Subject: Resolution of the City Council for the City of Seguin, Texas, authorizing submission of a grant application in response to the Texas Department of Transportation's 2025 Transportation Alternatives Set-Aside (TA) call for projects for the US 90, SH 46 Safety Improvements.

Historical Background

The Texas Department of Transportation (TxDOT) has posted a grant opportunity entitled 2025 Transportation Alternatives. If awarded, this funding will improve Community-Based Infrastructure, namely sidewalk improvements to improve safety, access, and mobility in the areas of Barnes Elementary School, AJ Briesemeister Middle School and Texas Lutheran University. The sidewalk improvements in this area will enable students safe passage to school, playground facilities and greenspaces throughout the area. The City has the full support of Seguin ISD, Texas Lutheran University, and the local community to improve pedestrian access with this project.

Action Requested

This is a request to submit a Preliminary Application, with the intent of submitting a Final Application when notified by TxDOT.

Procurement Methodology & Funding Source

There are no fiscal impacts to submitting this preliminary application. Future funding needs will be identified during the final application stage.

Staff Recommendation

Staff recommends approval of this resolution to submit a grant application.
