**Subject:** SEDC Investment Policy Modifications

---

The Seguin Economic Development Corporation's Investment Policy requires that both SEDC Board of Directors and the Seguin City Council review the investment policy annually and approve any changes to their investment policy. On December 7, 2015 the SEDC Board of Directors reviewed their investment policy and recommended no changes to the policy.

I am recommending the City Council approve the SEDC Investment Policy without modifications.

Please let me know if there are any questions or concerns.
