Re: TML Intergovernmental Risk Pool Board of Trustees

Attached is a copy of the ballot for the City of Seguin to cast its vote in the Texas Municipal League Intergovernmental Risk Pool (Worker's Compensation, Property, and Liability) Board of Trustees election. Each entity may cast a vote for one member in each of the places (6 – 9). The City of Seguin along with the Northeast Partnership have nominated each to serve a six-year term on the board.

My recommendations are as follows:

- Place 6 Allison Heyward, City of Schertz Council Member
- Place 7 Mary Dennis, Mayor for the City of Live Oak
- Place 8 Mike Land, City Manager for the City of Coppell
- Place 9 Opal Mauldin-Jones (Incumbent) City Manager of City of Lancaster
