Subject: Approval to Submit Grant Application over \$50,000

The Texas Department of Transportation (TXDOT) has posted a grant opportunity entitled, 2023 Transportation Alternatives. This is a request to submit a Preliminary Application, with the intent to submit a Final Application when notified by TxDOT.

If awarded, this funding will improve Community-Based Infrastructure, namely sidewalk improvements to improve safety, access, and mobility in the areas Koennecke Elementary School and Jim Barnes Middle School. The sidewalk improvements in this area will enable students safe passage to school and playground facilities. The City has the full support of Seguin ISD and the local community to improve pedestrian access in this area. This application seeks funding of no more than \$2 million, with no matching dollars required.

Staff requests approval of the resolution to submit the grant application.
