

MEMORANDUM

To: Mayor Donna Dodgen
City Council
Steve Parker, City Manager

From: John Donnelly, Director of Public Works

Subject: Equipment Purchase – Stratos DMT – 1000-gallon Asphalt Distributor Trailer

Date: April 21, 2023

The Public Works 5-Year Capital Equipment plan recommends the purchase of a new asphalt distributor trailer. The new purchase will replace a 250-gallon tack oil machine currently being used by our Public Works crew.

Using the TIPS (the Interlocal Purchasing System) contract, staff has received a quote from Pavement Technologies Intl Corp in the amount of \$53,789.89. The quote for a 1000-gallon is the most cost effective to replace the current 250-gallon due to the quality of spray it provides and added capacity for the price.

Staff recommends purchase approval of the Stratos DMT–1000-gallon Asphalt Distributor Trailer in the amount of \$53,789.89. Funding will come from the General Capital Equipment funds allocated for FY2023.

Staff will be available to answer any questions.
