Re: Interlocal Agreement with City of Schertz

The City of Schertz EMS is requesting a renewal of the interlocal agreement with the Seguin Fire Department to provide emergency medical services to residents living in unincorporated areas of the county. Schertz EMS holds the contract to provide emergency medical services to these residents. The current contract was executed in 2020. Currently, the City of Seguin receives \$441,787.97 annually to provide these services. The proposed contract is \$485,966.77 to provide emergency medical services to a specified geographic area of Guadalupe County (see attached map). The contract amount is approximately a 10% increase from the current agreement. The term of this agreement is for three years, ending September 30, 2026.

Attached is the resolution, agreement and supporting documents for your consideration.

A handwritten signature in black ink, appearing to read "D. Skinner", written in a cursive style.

Dale Skinner
Fire Chief
