Subject: Strategic Water Supply Plan - Presentation

Date: May 16, 2023

On October 18th, 2022, Council approved a professional service agreement for HDR Engineering, Inc. to develop a strategic water supply plan focusing on the development of water supplies to meet the future needs of the City's municipal, commercial, and industrial customers. The presentation of this strategic water supply plan includes annual projections for years 2025 through 2080.

Darren Thompson from HDR Engineering, Inc. will be at the City Council meeting for the presentation of the strategic water supply plan. If you would like a hard copy of the plan, please contact me prior to the meeting and I will have one available for you. Please let me know if you have any questions.
