All **ELECTRIC THUNDER SALUTES** are selected from Sunny, Lidu, or Icon for the best Titanium effects, tail duration, and reliable performance.

Our **FANCY COLORED SHELLS** are selected from Golden Peak, Freedom, or Dancing. Although priced economically, they provide a vivid array of bright primary and pastel colors.

Our **EXTRA FANCY SHELLS** are selected from Glorious, Sunny, An Ping, Flower King, and Lidu to combine great colors with astonishing secondary effects such as crackles, whistles, and shell of shells. These assortments also include pattern shells such as smiling faces, hearts, stars, cubes, spirals, and atomic rings.

Our **SUPER DELUXE SHELLS** are selected from Icon, Vulcan, and other International suppliers, and include magnalium compositions for extra bright colors. Some of the aerial shells are cylinder in shape to accommodate additional special effects such as whistles, serpents, and tourbillions.

Our **SPECIAL EFFECT AND MULTIPLE BREAK SHELLS** include the ultimate in art and science. These shells come from Vulcan in China or one of the several Caballer factories in Valencia, Spain. They include farfallas, fish and whistles, serpents and stars, gold twinkle crossettes, battle in the clouds, gold kamuro to fuchsia strobe, and other stunning effects.

AERIAL SHELL INFORMATION

The bigger the boom, the bigger the break! In the world of fireworks, the size of the shell determines the “climb height” and the size of the break.

We’ve illustrated a visual reference scale we use to calculate the specific altitude of customized shows.

As shown, the climb height and the size of the break of a 10” shell is substantially larger than that of a 3” shell. The larger the shell, the more robust the result!

MAIN BODY

The Main Body of your fireworks program is the opportunity to artistically explore the full range of shell varieties, design elements, and intensity levels.

In the main body of your show, Pyro Shows will feature a combination of unique shells that will provide vibrant effects. We will choose from a selection of colorful peonies; color-changing chrysanthemums; dazzling gold and silver palms and crossettes and pattern shells such as hearts, stars, pulsating French, Spanish, and Chinese Roman candles; and high-caliber mines and salutes.
