To: Mayor and City Council Members

From: Douglas G. Faseler
City Manager

A handwritten signature in black ink, appearing to read "Doug G. Faseler", written in a cursive style.

Re: SSLGC/Schertz/Seguin Interlocal Cost Allocation Agreement

Significant progress has been made on this agreement since our last meeting. The business points have been negotiated and a proposed agreement document is currently being finalized. It will then be reviewed by the legal counsels of both cities, the SSLGC, as well as our bond counsel. I anticipate the final proposed agreement will be ready for distribution on Monday at which time we will forward it to City Council.
