Subject: Street Closure for National Night Out

Date: September 15, 2016

On October 4th, 2016 the Seguin Police Department will be organizing and conducting the annual National Night Out (NNO) event. NNO is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, better places to live. Block parties are used in NNO to help facilitate these building campaigns. This year's NNO event will be hosting approximately thirty block parties at various neighborhoods.

One of the neighborhoods involved is requesting to close the street to allow for better safety for pedestrians attending the party. The area requesting the street closure is in the Chaparral Subdivision and the request is for barricades to be placed at the intersection of Cherry Hill Dr/River Oak Dr. and Cherry Hill Dr/Pebble Beach Dr. from 6:30 pm through 8:30 pm. The request is to waive any fees for the placement of the barricades as well.
