Seguin, Texas 78155

Mr. Gallagher,

This letter designates that Hach Company is the sole manufacturer of the Hach/Marsh McBirney line of flow monitoring equipment including the FloDar. The FloDar is manufactured in our Loveland, CO facility and carries multiple patents owned exclusively by Hach and their parent company Danaher.

This letter also designates Macaulay Controls as the sole source representative in the state of Texas for the Hach open channel flow monitoring line of products including FH950, Flo-Tote -3 and Flo-Dar. The Hach brands include Sigma, Marsh McBirney, and GLI product lines. Thank you, and if you have any questions they can be directed to me, or to the company headquarters in Loveland, Colorado.

Respectfully,

Richard Delgadillo
