RE: Library Board Appointments  
DATE: March 2, 2017

Ms. Tracy Donley has expressed an interest in serving on the Library Board. Ms. Donley is a regular library user, as are her children. She is the daughter of Mary Louise Donegan who served on the Public Library Foundation for over 15 years. Her daughter, Emily, volunteers at the library and serves on the Teen Advisory Board. Ms. Donley would be filling an unexpired term through December 31, 2017. I recommend that Ms. Donley be appointed to the Library Board.

The item will be placed on the March 7, 2017 agenda for your consideration and approval. Should you have any questions please do not hesitate to give me a call.
