RE: ZBA Board Appointment  
DATE: March 2, 2017

There is one Alternate position vacant on the Zoning Board of Adjustments. Mr. Russell Barnett has expressed an interest in serving. Mr. Barnett is the Seguin Market President of The First National Bank of Beeville. He would be a great asset to the board and would be serving a term of January 1, 2017 through December 31, 2018. I recommend that Mr. Barnett be appointed.

The item will be placed on the March 7, 2017 agenda for your consideration and approval. Should you have any questions please do not hesitate to give me a call.
