TO: City Council Members
FROM: Mayor Don Keil
RE: Schertz-Seguin Local Government Corporation Board Appointments
DATE: March 14, 2017

Bob Pees has recently resigned from the Schertz-Seguin Local Government Corporation which leaves a vacancy in Place #1 that does not expire until December 31, 2019. I am recommending that Robin Dwyer (Place #4) who currently serves as the SSLGC President be appointed to the Place #1 position.

Local businessman Kory Kirchner has agreed to serve in the Place #4 position and the term expires December 31, 2017.

The item will be placed on the March 21, 2017 agenda for your consideration and approval. Should you have any questions please do not hesitate to give me a call.
