RE: Purchase of SCBA Inventory

Bids were solicited for the purchase of self-contained breathing apparatus (SCBA) inventory items for the Fire Department. Specifications requested prices for a variety of Scott Safety brand equipment. Fire Department staff researched equipment and wear-tested two leading brands of SCBA equipment. They determined that Scott Safety offered the equipment that best suited their needs.

One bid was received from HEAT Safety Equipment LLC, an authorized Scott Safety dealer located in Von Ormy. Delivery is expected in about 45 days.
