

It's real.

MEMORANDUM

To: Mayor and City Council Members
Douglas Faseler, City Manager

From: Emery E. Gallagher, Director of Water and Wastewater Utilities

Through: Rick Cortes, Assistant City Manager

Subject: Engineering Service for Geronimo Creek Wastewater Treatment Plant

Date: May 08, 2017

Staff is requesting the approval of an engineering service agreement from TRC, for engineering of the Geronimo Creek Wastewater Treatment Plant.

Services include engineering design, construction documents, bidding/construction and preliminary scope of work.

The Project will consist of (4) new fixed rotor aeration in the oxidation ditch, belt conveyor for headworks screenings, VFD's for return sludge pumps and chlorine basin improvements, all proposed improvements will be designed for use in future plant expansion and improvements.

This engineering service will be funded through the 2017 Capital Improvement Utility fund.

Staff is recommending approval of engineering services with TRC for the Geronimo Creek Wastewater Treatment Plant and all related work in the amount of \$192,078.00. Staff will be available to answer any questions at the May 16, 2017 Council Meeting.
