

**MAIN STREET
PROGRAM**

MEMORANDUM

**To: Mayor Don Keil and the Seguin City Council
Doug Faseler, City Manager**

From: Kyle Kramm, Main Street and CVB Director

Subject: Downtown Parking Regulations

Date: May 8, 2017

After enforcement of the two-hour parking began, a few requests came in from downtown businesses for possible changes to a few parking locations. The following requests have been received by staff:

All Day to Two Hour:

- 200 block of South Crockett – three parking spaces in front of Cage & Kalkwarf
- 300 block of East Donegan – three parking spaces in front of Magnolia Hotel

Two Hour to All Day:

- 200 block of East Nolte – north side of the block

Additionally, staff also proposes that vehicles with handicap placards, both hanging and license plates, be exempt from the two hour regulation as several businesses have employees with physical limitations with walking and need to park in the two-hour spaces.

The Main Street Advisory Board has discussed these changes and anticipates approval at the May 11 board meeting.
