

May 17, 2017

Dear Mayor Keil,

With this letter, I respectfully ask that you accept my resignation as City Councilmember, District 3.

As you know, I have been battling health issues since the beginning of this calendar year, and I think future procedures will become more intense and time consuming. Because of these issues, I feel it is best for District 3 to have full-time representation during the remaining year of my term.

Sincerely,

Phil Seidenberger
