Subject: Renewal of Juvenile Curfew

Date: June 30, 2017

Texas Local Government Code Section 370.002 states our curfew ordinance is required to be reviewed and renewed every three years. The last renewal was adopted by the Seguin City Council in February, 2014. The Seguin Police Department has found the curfew ordinance to be an effective tool in reducing juvenile crime and asks the ordinance to be reinstated in its entirety.

Over the past three years ending June 30, 2017, the Seguin Police Department has issued approximately 143 curfew citations and has effected the arrest of 253 juveniles for various offenses.

The curfew violations break down as follows:

Curfew Violation – Daytime:	79
Curfew Violation – Nighttime:	54
Curfew Violation – Non-School Night:	10
