RE: Board Appointments
DATE: August 10, 2017

Kathy "Mimi" Cameron has resigned from the Main Street Advisory Board as the Hispanic Chamber of Commerce representative. Alyssa White has expressed an interest in serving the unexpired term through December 31, 2018. I recommend that Ms. Alyssa White be appointed as the Hispanic Chamber of Commerce representative to the Main Street Advisory Board.

Secondly, Jim Johnson has resigned from the Zoning Board of Adjustments due to health reasons. Penny Wallace currently serves as an Alternate and would like to fill the unexpired term through December 31, 2018. I recommend that Ms. Wallace be appointed as a regular member of the ZBA.

The item will be placed on the August 15, 2017 agenda for your consideration and approval. Should you have any questions please do not hesitate to give me a call.
