RE: Nolte, Guadalupe, & Castilla Park Sidewalk Improvements Project (TF-2017-27)  
Recommendation of Award and Bid Tabulations

Dear Mr. Sharp,

Enclosed is a copy of the bid tabulations for the above referenced project. Five construction companies received project plans and specifications and five of the plan holding companies submitted bids. HMT Engineering & Surveying has reviewed the opened bid tabulations and found them to be correct.

R.L. Rohde G.C. (Rohde) was the apparent low bidder for base bid items 1-40 at \$220,224.25. Including the subtotal additive alternate #1 of \$10,230.00, Rohde's total bid is \$230,454.25. Rohde has a favorable reputation for performing quality work and is qualified to perform the construction services for this project.

HMT Engineering & Surveying recommends that the City of Seguin award the project to R.L. Rohde G.C. as the low bidder for the amount of \$230,454.25.

If you have any further questions or comments, please do not hesitate to contact HMT Engineering & Surveying at (830) 625-8555.

Sincerely,

A handwritten signature in blue ink that reads "Chris Van Heerde, P.E.". The signature is fluid and cursive, with the first name "Chris" and last name "Van Heerde" clearly legible, followed by "P.E." in a slightly more formal script.

Chris Van Heerde, P. E.  
Managing Partner
