Subject: Rifle-Resistant Body Armor Grant Program

The Office of the Governor-Criminal Justice Division (OOG-CJD) has announced a grant program to support the purchase of Rifle Resistant Body Armor.

The application process for the grant consists of an egrants.gov application with narrative documents. We are applying for \$29,500.00, there is no cost share for this grant program. This grant will fund the majority of purchasing Rifle-Resistant Body Armor for the Police Department.

The final application requires a resolution authorizing the application from the applicant's governing body that gives authorization by the governing body for the submission of the application that clearly identifies the name of the project for which we are applying, a designation of the name and/or title of an authorized office who is given the authority to apply for, accept, reject, alter or terminate the grant.

The City of Seguin, Police Department is requesting \$29,500.00 to fund the purchase of 59 Rifle-Resistant Body Armor.

Staff requests approval to submit the final application for this grant program.
