Re: Interlocal Agreement with the City of New Berlin

Staff is recommending the renewal of the interlocal agreement with the City of New Berlin to provide emergency medical services service to the City of New Berlin. Due to the rising cost of supplies and equipment, staff is recommending that the fee be increased to \$400.00 per month for services rendered. The term of this agreement shall end on September 30, 2018 and automatically renew for one additional year.

By signing this Agreement the City of New Berlin has certified that it has not annexed any land, including highways and roads, since 2015.

We are available should you have any questions regarding this matter. Attached is the resolution and agreement for your consideration.
